

## The Details

**Disclaimer:** This meet is for coaches and gymnasts, not the parents. This sanctioned two judge panel event means that scores will count for qualification, and mobility purposes. This competition allows coaches to have interaction with the officials about gymnast's routines, scores, deductions, and composition. It is a place to ask and get answers to the questions you have before season gets into full swing. Space for this event is limited so it is on a first come first serve entry basis. This competition has no awards, and has limited seating for the parents as it is meant for the benefit of coaches and gymnasts, think of it like a clinic rather than a competition. If you have any questions about this event please send them via email prior to registering.
