### COVID-19 Make up classes:

Active had to close its doors on March 16 with 2 weeks left in session 5. All recreational athletes enrolled during this time period will be allowed 2 makeup classes usable when Active reopens through the end of the year. Makeup classes can be done at anytime as long as space is available in the class regardless if you are currently enrolled. This policy includes all HRCA participants. Active realizes with all the uncertainty around COVID-19 each families needs may be different, and some families might not be ready to return when Active can safely open its doors. We respect that and for this reason implemented this new policy. Active will prorate tuition for all participants joining us when Active can safely open its doors again.

All general open gyms, camps, parents night out, and birthday parties are canceled until further notice.

Thank you for your understanding.
